Fresh For Your Taste Buds - Market Delights with Wholesome Surprises

By Diane Lilli

If you're in the market for fresh, lush and satisfying food without breaking the bank, then the newly situated Montclair favorite 'Market' will always please.

This restaurant is now located on Church Street, and has expanded not only their seating but also their perspective.

The food seems to sparkle with bright, light yet filling flavors.

Whether you go for one - or all - of their famous small plates, which are creative samplings of fresh veggies, or decide to chow down on hearty hangar steak rubbed with fantastic herbs, you will be both delighted and surprised.

But make sure you dig into the side dishes that accompany each dish - my dinner came with a sweet potato and bacon hash that managed to be both sweet and spicy at the same time.

Prices are reasonable, and the decor is reminiscent of a French picnic area, with checkered table cloths and festive flowers on every table.

If you would like to treat yourself - and your family - to a gourmet meal that can boast healthy dividends - Market is your spot.

This spectacular hangar steak, rubbed with herbs, was served over a sweet potato-bacon hash, next to broccolini rabe. Wow!

My only regret was that I was too full to try one of their delicious deserts.

Market is located at 12 Church St. in Montclair.

Their phone number is 973-744-2244.
